Mirabai Devi is an international spiritual teacher and a living example of unconditional love and compassion. Originally from Johannesburg, South Africa, Mirabai has dedicated her life to the service and spiritual awakening of humanity. Mirabai has been gifted with the ability to help people heal and overcome suffering.

A program with Mirabai is filled with spiritual teachings, guided meditation, devotional singing known as kirtan and most importantly, the transmission of the Divine Light called Darshan. Through the experience of Darshan Mirabai awakens our dormant spiritual energy and empowers us to focus on the Light of God within and directly experience our Divine nature for ourselves.

Mirabai does not ask anyone to believe any dogma or creed. She is not about joining any specific group or religion. Mirabai Devi is neither East or West but a universal servant and teacher whose only wish is to help us purify our hearts and minds and reconnect us to our highest Self.

Please wear comfortable and modest attire.
